

# NASA HOME & CITY

Trace Space Back to You!

To learn more, visit <https://homeandcity.nasa.gov>.

# All throughout your home and city, technologies developed by NASA benefit you!

## Airport

**Direct-To Advisory System**  
Advisory Systems Save Time,  
Fuel for Airlines

## Automotive

**Truck Design**  
Aerodynamics Research  
Revolutionizes Truck Design

## Coastal

**Wind Turbines**  
Wind Power for  
Earth and on Mars

## Manufacturing

**Chemical Detection**  
Optical Sensors to Help Detect  
Dangerous Chemicals and  
Toxic Compounds

## Public Safety

**Flash Flood Warning**  
GPS Sensor Web Helps  
Forecasters Warn of  
Monsoon Flash Floods

## Medical

**Anti-Gravity Treadmill**  
Anti-Gravity Treadmills  
Speed Rehabilitation

## Sports

**Stadium Material**  
Tensile Fabrics  
Enhance Architecture  
Around the World

## Grocery

**Self-Driving Farming  
Equipment**  
GPS Correction Technology Lets  
Tractors Drive Themselves

## Living Room

**Digital Cameras**  
Image Sensors Enhance  
Camera Technologies

## Bedroom

**Mattress and Pillows**  
Forty-Year-Old  
Foam Springs Back  
With New Benefits
